

Vasileios Oikonomou

Finance Officer · Data & automation

Athens, Greece · billoiko8@gmail.com · github.com/oikonomouvasilis · linkedin.com/in/vasileios-oikonomoy/

Finance officer with a background in economics and applied informatics. My day job is public-sector financial control — payroll and the execution of budget funds — and most of what I build comes from automating the parts of it that should never have been manual.

EXPERIENCE

Fiscal Auditor

Jun 2024 – Present

Greek Army · Athens

Payroll for a large body of personnel, and execution and control of national funds from the defence budget.
